THEIR STORY

BRIDE Maggie Field, 28, manager of training at Houlihan's Restaurants Inc.
GROOM Chance Moore, 28, personal trainer **HOW THEY MET** In elementary school, but they didn't start dating until their senior year of high school
WEDDING STYLE Maggie and Chance paired their favorite color (orange) with rustic wood details and organic hues. —*Meghan Overdeep*

The first big decision Maggie and Chance made was where their wedding would be. "Choosing The Guild was almost a no-brainer—the space is absolutely gorgeous!" Maggie says. "The wood ceremony space, exposed brick, concrete floors, stunning chandelier and white subway tile fit perfectly with my rustic-modern vision for the day."

Since the event space at The Guild is big and open, the couple had a blank canvas to create their vision. They combined a distressed wood table with smaller round tables covered in crisp linens and alternated tall, lush centerpieces with shorter, more minimal ones for a modern, eclectic look.
